High-speed Laminator Provides Additional and Unique Products

Southern Label Company has expanded our production of paperboard/Tyvek® laminates by adding new paper stocks. You can select from 7 1/2 pt. acid free White or Red Wallet, plus 11, 14 and 18 pt. White or Manila uncoated paperboard laminated to 1025 or 1056 Tyvek®. Custom printing and colors are available starting with orders of one master roll.

Our layflat laminating adhesive provides quality materials converted to your specifications in sheets, rolls or strips. Your customer service representative is standing by to provide you with pricing, order minimums, and production dates at 888-829-8080, or you can contact us by using any of our quick link emails.
